Hula Hoop Contest

Another game fun for all ages! Hula hoops are given out to practice with. After a few songs that are played for practice, the competition begines. Usually done 4 at a time, a song is played and we see who outlasts the rest of the hoopers. If there are a bunch of rreally good hoopers, we add some things for them to do, stand on one foot, turn around, different things. Always good for a few laughs!
