

Rooney Tunes DJ's

Musicians

I've been a musician for over 52 years. I've been playing guitar since I was 5 years old. I also play piano and guitar and sing. I do a solo act and also play with another fellow guitar player. We also have trios, vocalists, violinists, and even a harp player. Whatever you're looking for, feel free to reach out and we can assist you with finding what you're looking for.
