

Rooney Tunes DJ's

Photography/Videography

One of our other companies is RT Photography and Video. You can choose photography, video, or both. We will work with you to make sure you get exactly what you want for your party or event. Our photography package is available for all types of events.

If you're looking to add on a highlight reel of your event, then our videography package is for you. We take the highlights of your event and put them on DVD or USB drive.

Whatever you need to have video for, we can help you. Just drop us a line and we can assist you.
